Too bad we couldn't get that

Thanks for all you do

Yea we worked our ass off, but the right and proper thing to do was to revoke as soon as the emergency was objectively over, notwithstanding the Senate procesa

Thanks to Seth I know he helped out Michael quite a bit

Wed, Feb 23, 7:59 PM

I have seen some conversation on social media, speculating that the Senate was poised to defeat the motion to confirm the Emergencies Act. Of course, with no vote, we can't ever know what would have happened. But I think that would have been a rather unlikely outcome.
